Round Up Your Monthly Bill for Land of Hope Africa CL Tel will match every dollar raised in 2022!

Yes! I want to Round Up to the nearest dollar.

I understand that this additional charge will appear on my monthly statement until I contact CL Tel to remove it.

- Agree Decline

In addition to rounding up, I want to donate an additional amount each month.

I understand that this additional charge will appear on my monthly statement until I contact CL Tel to remove it.

- \$1 \$2 \$5 No, thanks.

Visit cltel.com/roundup for more information on the Round Up for LOHA program.

Visit landofhopeafrica.org for additional giving opportunities.

Thank you for your generosity. Your donation will directly impact the lives of some of the world's most vulnerable children.

The undersigned requests Clear Lake Independent Telephone Company to furnish the exchange telephone service and facilities indicated above. For such service and facilities furnished upon this request and for any toll service furnished at applicant's telephone number or numbers, the undersigned agrees to pay the rate lawfully in effect. This is subject at all times to the general "Rules and Regulations" applying to telephone service on file in the local office of the Telephone Company. The undersigned has been informed of the lowest rate available,\* the Lifeline Program,\*\* and the ability to block 900 number dialing. In the event this number becomes delinquent, all other numbers for which the applicant is responsible could also be disconnected.

Parent Signature (If applicant is under 18):

\*Speeds not guaranteed and may vary. Symmetrical Internet only where available. Prices do not include taxes, fees, and surcharges such as Network Fee (currently \$3.68), E911 (currently \$1.00), IAC and ARC (currently \$6.50 - Traditional Phone Service only), and others depending on what services are purchased. CL Tel is an equal opportunity provider and employer. Our lowest rates are: Traditional Phone - \$22.50/month (residential) and Business Phone Line - \$22.00/month (business). \*\*Lifeline and the Affordable Connectivity Program are federal programs that provide telecommunications discounts for low-income residents. If yes, please attach proof of eligibility. Contact us for assistance.
